Dear Ms. Whitt,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. Your email will become a part of ND-2015-20-E - Duke Energy Carolinas: Foothills Transmission and Substation Project- 45-Mile Transmission Line Between Asheville, NC, Power Plant and New Substation Near Campobello, SC, and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling
Administrative Coordinator

Subject: White Oak Mountain

Hello,

We are so saddened that Duke Power is even considering defacing our beautiful mountain. We live at :
just down from the proposed line. The well for 6 homes would be right under it.

Please reconsider the route of this line and the beautiful mountain slope that you will be ruining forever.

Thank you
Becky Whitt
